Worth a visit

Its really worth a visit or at least a stop. Its a stone bridge with the biggest arch in Europe. Its fascinating what a men could have done in the past by hand. Surly worth to stop and take some pictures.

The biggest stone arch in the world

It is amazing what a man can do. This stone arch is build without concrete and it is really a piece of art. And when you look at it, it fits in the surrounding, like it was always there.

Thank Mateja K
